How is the personal data I enter for Dark Web Monitoring stored and managed? How do I know my personal data shared with NortonLifeLock is secure?

Your personal data is stored and managed by an advanced secure cloud database that is encrypted and protected with multiple layers of security measures.

How can I be sure the personal data I enter for Dark Web Monitoring is not used or sold by NortonLifeLock employees?

Any personal data you provide is encrypted. Only a few selected employees, who undergo training on how to handle personal data, can access it. These employees must provide their own unique credentials every time they access personal data and are subject to monitoring by our Information Security and Compliance team. See the NortonLifeLock™ Global Privacy Statement for additional details.

Can NortonLifeLock remove my personal data from the dark web?

Unfortunately, no. The content on the dark web is not centralized and is owned by many different (usually anonymous) owners. Only the owner of the content could remove or modify the content.

How does NortonLifeLock help if I receive a Dark Web Monitoring notification?

Within the notifications, advice is provided on next steps you can take to help protect your personal data, and when available, it will include links to additional resources. If you have additional questions, go to support.norton.com.

How does NortonLifeLock help if my personal data was leaked in a data breach?

Notifications are sent that provide best practices and suggested next steps you can take to help protect your personal data at support.norton.com.

How do I enroll? What information will I need to provide?

Visa cardholders should visit www.cardbenefitidprotect.com and complete the eligibility verification. Once verified, cardholders will be redirected to the offer page on Norton.com where ID Navigator enrollment is available. Enrollment in ID Navigator will require first name, last name, SSN, date of birth, address, phone number, and email address.

What are some common triggers for dark web, credit, and data breach notifications?

Your personal information being detected on the dark web, a hard credit check, or an update to your credit file are a few examples. Data breach notifications are sent regarding large data breaches that may impact consumers.

I received an alert. What do I do next?

Each alert will include information about next steps. Specifics vary by type of alert.

Auto Rental Collision Damage Waiver

No cardholder wants to incur the expense of repairing or replacing a rented car. But accidents do happen, and vehicles do get stolen. No matter what happens to Your rental car, You can be covered with Auto Rental Collision Damage Waiver. Auto Rental Collision Damage Waiver reimburses You for damages caused by theft or collision -- up to the Actual Cash Value of most rented cars. Auto Rental Collision Damage Waiver covers no other type of loss. For example, in the event of a collision involving Your rented vehicle, damage to any other driver's car or the injury of anyone or anything is not covered. Rental periods of fifteen (15) consecutive days within Your country of residence, and thirty-one (31) consecutive days outside it, are both covered. (Longer rental periods, however, are not covered.)

You are eligible for this benefit if Your name is embossed on an eligible card issued in the United States and You use it to initiate and complete Your entire car rental transaction. Only You as the primary car renter and any additional drivers permitted by the Rental Car Agreement are covered.

How Auto Rental Collision Damage Waiver Works With Other Insurance

Auto Rental Collision Damage Waiver covers theft, damage, valid loss-of-use charges imposed and substantiated by the auto rental company, administrative fees and reasonable and customary towing charges, due to a covered theft or damage to the nearest qualified repair facility.

If You **do** have personal automobile insurance or other insurance that covers theft or damage, this benefit reimburses You for the deductible portion of Your car insurance or other insurance, along with any unreimbursed portion of administrative and loss-of-use charges imposed by the car rental company, as well as reasonable towing charges while the car was Your responsibility.

If You **do not** have personal automobile insurance or any other insurance, the benefit reimburses You for covered theft, damage, or administrative and loss-of-use charges imposed by the rental company, as well as reasonable towing charges that occur while You are responsible for the vehicle.

If You are renting outside of Your country of residence, the coverage provided under this benefit is primary and reimburses You for covered theft, damage, or administrative and loss-of-use charges imposed by the rental company, as well as reasonable towing charges that occur while You are responsible for the vehicle.

How to Use Auto Rental Collision Damage Waiver

1. Use Your card to initiate and complete Your entire car rental transaction.
2. Review the auto rental agreement and decline the rental company's collision damage waiver (CDW/LDW) option, or a similar provision, **as accepting this coverage will cancel out Your benefit.** If the rental company insists that You purchase their insurance or collision damage waiver, **call the Benefit Administrator for assistance at 1-800-348-8472. Outside the United States, call collect at 1-804-673-1164.**

Before You leave the lot, be sure to check the car for any prior damage.

This benefit is in effect during the time the rental car is in Your (or an authorized driver's) control, and it terminates when the rental company reassumes control of their vehicle.

This benefit is available in the United States and most foreign countries (**with the exception of Israel,**

Jamaica, the Republic of Ireland or Northern Ireland). However, this benefit is not available where precluded by law, or where it's in violation of the territory terms of the auto rental agreement, or when prohibited by individual merchants. **Because regulations vary outside the United States, check with Your auto rental company and the Benefit Administrator before You travel, to be sure that Auto Rental Collision Damage Waiver will apply.**

Vehicles Not Covered

Certain vehicles are **not** covered by this benefit; they consist of: expensive, exotic, and antique cars; cargo vans; certain vans; vehicles with an open cargo bed; trucks; motorcycles; mopeds; motorbikes; limousines; and recreational vehicles.

Examples of expensive or exotic cars are the Alfa Romeo, Aston Martin, Bentley, Corvette, Ferrari, Jaguar, Lamborghini, Lotus, Maserati, Maybach, McLaren, Porsche, Rolls Royce, and Tesla. However, selected models of Audi, BMW, Mercedes-Benz, Cadillac, Infiniti, Land Rover, Lexus, Lincoln, and Range Rover **are** covered.

An antique car is defined as one that is over twenty (20) years old, or one that has not been manufactured for ten (10) years or more.

Vans are not covered. But those designed as small-group transportation vehicles (seating up to nine (9) people, including the driver) are covered.

If You have questions about a specific vehicle's coverage or organization where the vehicle is being reserved, call the Benefit Administrator at 1-800-348-8472, or call collect outside the United States at 1-804-673-1164.

You should report the theft or damage as soon as possible but no later than **forty-five (45) days** from the date of the incident.

- A copy of Your primary insurance policy's Declarations Page (if applicable) to confirm Your deductible (This means the document(s) in Your insurance policy that lists names, coverages, limits, effective dates, and deductibles)
- Any other documentation required by the Benefit Administrator to substantiate the claim

Finally, please note that all remaining documents must be postmarked within three hundred sixty-five (365) days* of the theft or damage date **or Your claim may be denied**.
